

Just wanted to thank you, Dr. Dorner, for going above and beyond to make this happen for me. Emilie: Thank you for answering the phone for all the times I called. I know I called several times and you were always so sweet! Samantha: Thank you for working so fast on putting up with my questions. You did a great job!

KY, Abdominoplasty

Great experience! Thank you!!

TH, Abdominoplasty

I am very pleased with my decision to choose Dr. Dorner to do my surgery. I am also very pleased and excited about the results.

JK, Abdominoplasty

I have recommended a tummy tuck to others. My results have exceeded my expectations.
